This camp will give your daughter a head start on the upcoming season. The camp offers a lower player-coach ratio where each player will receive individual attention in a small group atomsphere. The camp will include hands-on coaching from members of the Bethany Softball staff. The hitters will go through a series of stations that will offer a fun yet challenging environment. The pitchers will work on the basic mechanics, throwing techniques, and strategies of pitchings. The coaching staff will also have a timed running station to see where your speed rates compared to athletes in your age group.

To complete the 2017 summer softball camp, the campers will be put in game situations through a controlled scrimmage format which will give them the opportunity to breakdown the game play-by-play.

Online registration is available! Visit www.blcvikingscamps.com for more information and registration.
